Finance Report for year 2010	Treasurer	Income/Expense report for 2010	12:10 Start due to parking issues.  7 Clubs and more than 20 people confirmed.
League Fee	FRCC – Ball Cost	Reduce ball cost to reduce fees - The league fee needs to be brought down. The league fee is clearly way over board for the services we are able to provide. And obviously higher the fee doesn't mean better cricket. Based on the expenditure break down, Match balls seem to be the culprit and we seem to be dearly in love with Kookaburras. I propose that we start using what is used at the next level. There is no need for any "inspection" or "testing period" since it will never make it through the red tape ;). Since this is supposed to be like general body meeting, we should plain vote and get it done.	<i>Two piece Vs Four Piece – Tej proposed, seconded by Rakesh Menon</i>  <i>16 for two pieces</i>  <i>21 for four pieces</i>
	Raymond	A committee should be formed to look at reducing the cost of balls.	
	Akhil	USACA Insurance is too expensive and does not cover individual medical claims (The deductible is \$5000). So is it worth it? Better alternatives?

			<i>selected players</i>
Colored Clothing	FCCC- Nadeem	Colored clothing and white ball. It will reduce cost significantly. It will grow CCL, and that should be good for CCL.	<i>EC approved colored uniform optional - 9 for NO, 1 abstain, 28 ye</i>
	Raymond	a. Make colored clothing optional. b. Teams can choose to play with white or red ball.	
	Akhil	LCC played some games with colored uniforms and no team/umpire had objections. Should this be optional?	
Playing Conditions	Akhil	Strict rules to call off games for harsh weather conditions. Like no cricket if temperature is below 50 F	
	FRCC	We need to have clearly marked rain/weather make-up days and there need to be very clearly set rules for calling a game off. Can we have one designated responsible liaison who lives close to the ground, who can act as the ground inspector and can inspect and call the game off without having the folks to drive up to the ground and play out of obligation. Please note that it will make more sense to have someone from the League who actually plays with leather ball and could relate to the conditions and not some randomly available person.	Withdrawn
	Raymond/ Akhil - Safety	Make helmets mandatory for all players.	15 for , 24 No
League Format	Nadeem	Change the format to T20 league. Played from first weekend of May till last weekend of August with playoffs in September.	<i>Only T20 League – 9 For, 1 Abstain, 19 For</i>

			<p><i>Single Division Vs two Divisions – Two Divisions 25, 14 No</i></p> <p><i>Same Format as last year -1</i></p> <p><i>&gt;T20 and &lt;40 - 13</i></p> <p><i>P40 and T20KO -25</i></p>
Raymond	<p>a. Replace April T20 league with practice matches</p> <p>b. Increase the Premier League to 14 games (assuming 8 teams), with teams playing a home and away game.</p> <p>c. Play a parallel T20 tournament for recreational teams (Second Division).</p> <p>d. End the season with a T20 league cum knockout tournament.</p>		
FRCC	<p>We should invite the Tenniball league to field one team - something in lines of "President's XI" or the "Best of Tennis league XI" that will join the T20 Tourny in the Premier league. We should not charge them any fee, should not burden them with any umpiring duties and the team they are playing against should share their equipment, but this will be purely invitational basis to encourage better exposure to the next level for tennis folks. If they want to field two such teams that is even better. But this will be for the initial T20 or the final T20 tourny (whatever format is decided)</p>		
FRCC	<p>This one might be a little over ambitious but did CCL ever try playing 50 over format? Would it be an interesting experient this upcoming season to play 50-50 instead of 40-40? I can't see any evident cons ...</p>	<p><i>8 For 50</i></p> <p><i>4 For 45</i></p> <p><i>2 Abstain</i></p> <p><i>25 for 40</i></p>	

	Akhil	T20 League - Weather to have separate T20 league, parallel to premier	
Schedule	RBCC	a: Game days both Saturday or Sundays teams can tell before the season if they are interested to play on sundays as well. b: previous year seedings should be used for scheduling. C: Scheduling during Ramadan	Last year Seeding will be used for game scheduling.
	FCCC Nadeem	Matches should be played on Saturday with Sunday as the official make-up day. Only one game per team per day.	
	Akhil	Include weekends in schedule for washout games	
Umpiring	FRCC	The umpiring this past season was substandard and pathetic at best. If we back trace the issue - the whole certifying process is flawed and useless. We test folks on unnecessary and redundant stuff and fail to stress on more important issues. This needs to be addressed. At this point, this should be open to any ideas from all the league members. But we need to make it better.	
	Umpiring Dues - Raymond	Clubs will make internal arrangements to pay their own umpires. No cost to the playing teams.	Current System – 21
Cougars	Akhil	Get rid of the name Cougars! – New Name	To be dealt by Cougars
		How much should CCL contribute towards Cougars?	1200 Towards Cougars 10 For, 9 abstain,
Penalties	RBCC	Penalties due to wet ground or Wicket conditions need to be consistent. either no penalty or penalty regardless of efforts to start the game on time. we do not have control over sprinklers, rain etc. last year 2 different sets of rules were used for 2 games for penalizing one team and let go other team.	
	Kervyn	Payment of Penalties/Fines - Penalty if payment is late after 2 weeks.	
	Akhil	How should the league utilize fines money? (Maybe to cover misc expenses)	
Points System	Raymond	In the Premier League a bonus point should be awarded. In the T20 tournament the points system should stay the same.	

	Nadeem	Higher ranking team gets to play more matches at home ground	
	RBCC	b: previous year seedings should be used for scheduling.	
Misc	Kervyn	The term of the office that our CCL officers hold should be a default minimum of 2 consecutive years.	
	Kervyn	Home Team should have a scoreboard	14 Against, 0 Abstain, 21 For
