Serial No.	Proposal	Reason	Comments	Proposed changes
1	AGM proposals to be decided on the popular vote as opposed to the club vote (this change was made at the 2014 AGM).	Reverting back to the original rule will encourage AGM attendance.	did not pass 7 to 1	The Alternate proposal to decide each tournament separately needs to be taken to the LMC.
2	(a) Mandate clubs to get colored jerseys. (b) If colored jerseys is not possible to mandate, teams must be fined when not all eleven players on the field are wearing whites at the rate of \$25 per player.	Too often this season, a couple of teams had players wearing different combinations of shirts and pants	tie 4 to 4. did not pass	Alternate proposal is to have remaining players (not in colors) wear only white - Team uniform or white. Umpiring report should include this. Suggesting fine to be imposed. Need to be taken to LMC
3	Institute a "CCL Fairplay" award. CACU should come up with the specifics but basically it involves umpires for every match awarding points for sportsmanship. Any player disciplinary issues will result in loss of points. The team with the most points at the end of the season gets the award. The points tally can be shared by CACU at the end of every month in their newsletter.	Improves sportsmanship in CCL	Pass Yes (5), no (1), abstained (2)	Needs to be taken to LMC to work out the details
4	Encourage home teams to record their matches and share the videos with the league (using Youtube?). Teams can get points counting towards the Fairplay Award for doing this.	This is a good learning tool and since 3 clubs already do this, the others should as well.	did not pass Yes (3), No (5)	

5	The fines for not uploading scorecards to Chauka/CCL website should be applied even if the scorecards are incomplete. All information including umpires names, location, FOW, players who did not bat, etc should be added prior to the deadline.	Many times this season there were incomplete scorecards weeks after the match was played.	Yes (4), No (4) - did not pass	Needs to be taken to LMC to work out the details - the current rule around scorecard is about timely submission and not about completeness; Who should be penalized - home team or away team; Proposal amendment required to change
6	CCL Scheduler/CACU should work with ground owners directly prior to scheduling matches.	To avoid the confusion seen this season.	Yes (8)	Needs to be documented in the CACU/Scheduling document
7	Update CCL rules. Allow one bouncer per over (Upto head height. Above this height is a wide if the batsman doesn't connect with the ball else it is a legal bouncer. A second bouncer above the head whether the batsman connects or not will be a no-ball followed by a CCL warning)	Make CCL a little more bowler friendly and make batsmen think twice before jumping on the front foot.	Yes (4), No (4) - did not pass	
8	Mandate helmets for batsmen in CCL.	For general safety. Especially if we allow one bouncer an over.	Yes (7), No (1) - pass	Needs to be documented in the CACU/playing condition document
9	No warnings need to be given to slow bowlers who bowl above-the-waist full tosses.	There isn't a safety issue.		To clarify, it is still a No ball but talking about the warning
10	(a) Mandate umpires to write a two paragraph summary of the match in their Report. This can be used for the match summary articles in the CCL website. (b) If "a" does not pass: Fine teams \$25 for not sending in the match summaries.	Clubs have all-together stopped sending in these summaries.	Yes (2), No (4), Abstained (2) for b Yes (2), No (6) - did not pass	Teams has been qualified to be home team
11	CACU should send out newsletters every month as was done in 2013-14 and a part of 2015. This will include information including fines, disciplinary action amongst other info/reminders that CACU sees fit.	Informational
