**Mr. Paul DaSilva**

Council of League Presidents  
[clpc@usaca.org](mailto:clpc@usaca.org)

**Date: 09/01/2004**

Dear Jarrar,

My heartiest congratulations to your league and you for having successfully completed your league championship in 2004. It gives me immense pleasure to be associated with Colorado Cricket League and I look forward to this association in the future as well. I would like to congratulate Swadeep Pagadala on behalf of CCCC (Coal Creek Cricket Club) on winning this coveted championship. As a small token of appreciation and on behalf of the region, I would like to sponsor the winning trophy and would like for the region to continue to do so every year. CCL has created a huge impact in the Central West region by contributing towards the development of cricket, talent and the regions overall administrative affairs. Being a dynamic leader yourself, you have certainly led by example and I am really fortunate to have your league and you as part of the region for which I am positive that CCL feels the same.

CCL's first year of participation in the CWRB as a team and member has created a positive impression among leagues in the rest of the region. The very idea of having the next CWRB cricket championship being hosted by CCL has drawn in confidence, enthusiasm and tremendous support from the rest of the leagues. We in the region truly believe that the tournament will be in good hands and that CCL will make every effort to make this tournament a huge success.

Thanks for always being there and congratulations again for another successful year. Please let me know on how we can make arrangements for the trophy.

Regards,

Syed Shahanawaz
